TOOL CART 360 PCS

One of the most professional workshop models in the Airpress range! Equipped with 12 drawers and 11 tool modules (360 pieces). Drawers mounted on **reinforced ball guides** operate smoothly even under very heavy loads. Additional **individual lock of each drawer** protects against accidental sliding out, f.ex. during transport on a sloping surface. Tools and other components made of chrome vanadium steel and carbon steel. All tools are housed in easy-to-clean **foam inserts** covered with an oil-resistant layer of **polycarbonate**.

The use of a **wooden countertop** increases the durability and robustness of the cart, which can also be used as a mobile workbench. The countertop construction also allows the mounting of a vise or other workshop accessories. The top drawer with a **central lock** allows you to safely store your most valuable tools. Robust wheels equipped with brakes ensure both full mobility of the cart and its stability during stationary work. The corners of the cart have been protected with **soft cushioning material**, which further increases its durability. Practical and reliable equipment for every workshop!
